

The **Global Water Partnership** and the **International Network of Basin Organizations** are pleased to invite you to the official launch of their joint **Handbook on Integrated Water Resources Management in Basins**

on **Friday 20th March 2009** between **19.00 and 21.00** during the 5th World Water Forum in Istanbul

The Handbook will be presented between 19.00 and 19.30 in **Kağıt Hane** (Amphitheatre 3) in **Sutluce**

Speakers will include: Ms **Letitia A. Obeng** (GWP Chair), Mr **László Kóthay** (INBO Chair), Mr **Andras Szöllösi-Nagy** (UNESCO International Hydrological Programme Secretary, tbc) and Mr **Jean-Louis Borloo** (French Minister of Ecology, Energy, Sustainable Development and Land Planning, tbc)

The presentation will be followed by a **cocktail** outside Amphitheatre 3

INVITATION

Launch of the GWP/INBO Handbook for Integrated Water Resources Management in Basins

Preparation of the Handbook was supported by the **Ministry of Foreign and European Affairs of France** as part of their general support to the GWP and INBO
